Jenny - I have given EVERYTHING I had received concerning the corporate sponsor checks to Danna. She picked up a bunch of stuff last week from the Nat. Conv. mailbox that had been there for a couple of months. Maybe the Andersen Consulting address was in with it. Steve Nicholls worked for Andersen Consulting last summer, maybe he can help you.

Linda Streeter, Dean's Office, called at 1:00pm and then again at 3:30pm wanting to know where the A/C room key was. I told her that you probably had it. She really wants it back ASAP.

The singing gig was a RAVING SUCCESS!!!!
